

Wins & Learnings in a Sales company

It's one of the most straightforward but most powerful habits you can bring into a sales team.

Here's why:

If all you do is chase wins, you miss the chance to improve.

If all you do is dwell on mistakes, you kill confidence.

So every week, I ask my teams I work with for one win and one learning from the past week.

I'm not always good at it, and often the people present don't think about it until they are asked.

But the truth is, it doesn't matter if it is big or small; we acknowledge it and then we move on.

Try it this week. Keep it short, keep it honest, keep it moving.

Have a good week selling your stuff.

Dedicated to your Sales Success.
